Mr. Walter Trohan  
Chicago Tribune  
815 Albee Building  
Washington, D. C.

Dear Walter,

STAT

Thanks for your letter of 13 November recommending  
[ ] for employment with us.

STAT

I have checked with my personnel people about Mr.  
[ ] but find that, although he has an excellent back-  
ground of experience, it is not of the type which would  
qualify him for our operations. His case was made fur-  
ther difficult by the scarcity of available positions  
at the pay level in which he was interested. His papers  
have been carefully reviewed several times in the past  
few months in an effort to place him, but unfortunately  
it has been impossible.

I'm sorry that for the present we are unable to  
avail ourselves of the services of [ ] and you  
may be sure that if in the future there is anything  
available in which we could use a man of his qualifica-  
tions and experience, we will get in touch with him.

STAT

Sincerely,

R. H. HILLENKOETTER  
Rear Admiral, USN  
Director of Central Intelligence
